## **ACKNOWLEDGEMENT**

It is a great pleasure that I present my venture in real-life application development in the form of project work. This project has been a very enriching experience in terms of programming skills and applying them to solve practical problems. I would like to extend my sincere gratitude to all those who helped me complete this project successfully.

I am happy to present this project work on the . The satisfactory completion of this project is due not only to my own efforts but also to the valuable guidance rendered by my guide and others, as well as the necessary infrastructure and facilities provided by my college.

First, I extend my sincere thanks to the Principal, , and my guide and the head of Department for their cooperation and guidance throughout the course. They provided support and briefed me from time to time, helping me overcome challenges and achieve the project's goals.

I also express my gratitude to all the faculty members of the , who imparted knowledge that proved valuable in the practical execution of this project. I would also like to thank those who helped me, either directly or indirectly, during the course of this work. Lastly, I would like to thank my friends for their constant support.
